Who we are

PANDO. Ventures is a European start-up seed accelerator that is dedicated to help drive the innovative business models of the future. We support founders through founding and building their own company based on practical, hands-on guidance. In particular, this includes building a first MVP, an early go-to-market strategy, process optimisation, financial matters, legal compliance and a lot more.

What we focus on

Digital markets / industries; exponential organizations, 'bootstrappable businesses', future business models like FinTech, PropTech, online-platforms, E-Commerce, etc.

What we provide

- Guidance from domain experts
- Strategy mentoring
- Help recruiting partnerships
- In-house design experts & brand builder on campus
- Sales support
- Introduction to financial partners, investors and publicity partners

- 24/7 support throughout our step-by-step program
- co-working space in the Rhein-Main region near Frankfurt am Main/Wiesbaden.

Vision

Connecting the right people to the right resources at the right time.

Mission

Empowering people to build tomorrow's game changers.
